TOWELS**

80-COUNT ROLL PART# TRC1197

It's Finally HERE! The hardcore do-it-all microfiber towel is perfect for any job from the grimeiest garage jobs to everyday use around your home. Not just another shop towel, Rip N' Rags are an easy-to-use, highly absorbent 70/30 blend and will quickly become your all-purpose go-to towel. Thanks to their lint-free soft blend and edgeless design, they are safe to use on glass, paint, and other delicate surfaces without scratching them!

These towels are a cost-effective alternative to paper towels. Quickly tear it off the roll, use it, abuse it, and re-use it! Each towel can be reused hundreds of times, so say goodbye to single-use paper towels for your home, garage, RV, or boat needs.

Easy storage that fits on a standard paper towel holder. We are on a roll with this one!

SUEDE FENDER DEFENDER

The Suede Fender Defender microfiber protection towel offers detailers a safe, simple, and effective tool against accidental paint damage while working in engine bays, trunks, and other parts of a vehicle. Eliminate common lean-over "Uh-Oh's" from accidental bumps and rubs with this soft, tough, and durable towel that will quickly make you wonder why you ever worked without it before. The Fender Defender is a small investment (but a large 24"x36" towel) offering potential huge returns while avoiding the additional work and expense of accidents.
